### **About The Ponds**

The Ponds is a 1,950-acre master-planned community set between the town of Summerville and the Ashley River Historic District. In addition to a 1,100-acre nature preserve, residents of The Ponds will enjoy the benefits of an onsite Summerville Family YMCA, EMS/Fire Station and several community parks. Greenwood has also set aside land for a proposed K – 8 public school.

The Ponds' residential offering includes custom home sites for new homes priced from the \$70s and single-family homes priced from the low \$200s. Several homes are now complete, and the first residents have moved in. Also complete is the first of four amenity complexes, including a pool, outdoor pavilion, 11-acre multi-purpose field and a restored historic farmhouse. The first phase also includes a waterfront outdoor amphitheatre and several neighborhood parks. A 60-plus-mile sidewalk and trail system connecting to The Ponds' 1,100-acre nature preserve will be phased in as development progresses. An early part of the system, however, linking the community trail head at the restored farmhouse to hundreds of acres of woods, pastures and

ponds, is complete and in service. For more information, please call 843.832.6100 for details, or register online at [www.DiscoverThePonds.com](http://www.DiscoverThePonds.com) for ongoing updates.
