New director brings over three decades of experience
**Chuck Walsh named Director of Sales
at The Reserve at Lake Keowee**

SUNSET, SC, November 18, 2008 – The Reserve at Lake Keowee announces Chuck Walsh as its new Director of Sales. A seasoned real estate professional who most recently was Vice President of Sales at Reynolds Plantation, Walsh now leads the seven-member sales team at The Reserve.

“We believe The Reserve, with more than \$100 million of amenities already in place, is the best mountain and lake community in the Carolinas,” said Chuck Pigg, Community Manager for The Reserve. “Chuck Walsh’s experience and record of success are just what we needed in today’s changing real estate market to continue our success. Top communities like ours are always sought out by discriminating buyers; Chuck understands those buyers’ needs and desires.”

Prior to joining Reynolds Plantation, located on Lake Oconee between Atlanta and Augusta, Georgia, Walsh was Executive Managing Director of a national firm owned by GMAC. Previously he spent 25 years involved in real estate consulting and valuation.

A graduate of The University of Alabama where he majored in real estate, Walsh also holds the MAI designation of the Appraisal Institute and the CRE designation of The Counselors of Real Estate. He and his wife Cathy have four grown children, three grandchildren (and twin grandchildren due in December).

Created by Greenwood Communities and Resorts, The Reserve at Lake Keowee is a 3,900-acre, private lakefront resort community near Greenville, SC and Clemson University. Located in the foothills of the Blue Ridge Mountains with over 30 miles of shoreline, The Reserve is the ideal place for family boating, swimming, hiking, golfing, fishing, water skiing and all things outdoors.
